COOKING LEVELS

Universally considered one of the finest European specialist manufactures of hand crafted cooking appliances, ILVE's Nostalgie range of freestanding ovens does not disappoint.

ILVE Nostalgie ovens offer attractive and traditional country style finishes that enhance the appearance of a traditional kitchen. Combining the perfect synergy of cosmetic and performance excellence, available in 8 colour choices to complement the brass, chrome or bronze control knobs and oven door handles to finish off this truly unique style oven.

ILVE's Nostalgie range is available in 60cm, 70cm, 80cm, 90cm, 100cm, 120cm and 150cm sizes and offers a unique choice of baking, grilling or rotisserie in a single oven or two ovens simultaneously. All models offer the superb quality of features and functions synonymous with ILVE.

These innovative ovens incorporate chef quality features that will delight the foodie at heart who just loves to cook. Across the range, features include 10 or 11 multifunction cooking, 70 to 110 litre oven capacity, electric rotisserie, precision thermostat control and concealed grill element. Turbowave cooking technology which cooks food at lower temperatures for less food shrinkage and splatter that adds satisfaction to every cooking masterpiece.

Further features such as cool touch handle, removable door and dismountable inner glass, self cleaning catalytic liners and panels and triple glazed door add ease of use and safety to the already impressive professional cooking functions.
