ILVE's range hoods are designed to stealthily keep your kitchen fresher and cleaner. ILVE range hoods craftily stand above the rest. Their powerful fan removes cooking odours, smoke and vapour from the kitchen, while extremely fine filters trap all grime. In-built LED Lights produce a natural brightness, illuminating your cooking area while the streamlined electronic control panel ensures whisper quiet air extraction is at your fingertips. Either as a visual focal point or discreetly integrated, it is easy to see that ILVE Rangehood's are built to extract!
